### Getting to Know You

1. How many times have you moved in your life, and in what states have you lived?
2. If you are lost, are you more likely to ask directions, or try to find your way on your own?
3. Share a time in your own experience when you had to make a decision about the direction of your life or career? How did you go about making the decision?

### Digging into the Scriptures

1. Psalm 119:105 tells us God's Word is a "lamp to my feet and a light to my path." In your own experience, how has God used His Word to guide your path?
2. Last week, John Kohr read from Deuteronomy 6:4-9. How do these verses help us understand God's commandments for our lives? Do you see the commandments as road signs for guidance, or are they there to discipline us?
3. Read John 14:6. How can we know God the Father? What did Jesus do for you that allows you to live with Him in eternity?
4. Read Mark 13:1-8, 32-37. Think for a moment about the end of the path. Can we know when the path will end? What must we do now to insure we are ready?

### Practical Application

1. If we are on the path to heaven, how will our friends and family know?
2. Hebrews 10:23 tells us to "hold unswervingly to the hope we profess." What are some spiritual potholes or roadblocks that might make you swerve, and keep you from staying on the right path? How can you overcome them?
3. Each of us is responsible for choosing the right path. However, the great commission in Matthew 28:19 commands us to "make disciples." How can we help others to find the right path, encourage them to stay on the path, and help them to make it through to the end?
